CANAAN BRIDGE TO BE CLOSED FOR DEMOLITION
WILL REQUIRE TWO WEEK DETOUR ON GRIST MILL HILL ROAD

The New Hampshire Department of Transportation announces the scheduled demolition of the Grist Mill Hill Road Bridge over New Hampshire Railroad in Canaan will require a two week bridge closure and detour between June 14 and June 28, 2002.

During the two-week bridge closure and road reconstruction, traffic seeking access to and from U.S. Route 4 will be detoured via Ball Park Road, Upper Grafton Road, South Road and Potato Road.

R.M. Piper Inc. of Plymouth, New Hampshire is the contractor for the \$384,000 bridge replacement project, which is scheduled to be completed in September 2002.
